JOIN STATEMENT

by EU High Representative Catherine Ashton and Commissioner Štefan Füle on last night's events in Ukraine

The High Representative of the Union for Foreign Affairs and Security Policy and Štefan Füle, EU Commissioner for Enlargement and European Neighbourhood Policy, made today the following statement:

"The European Union strongly condemns the excessive use of force last night by the police in Kyiv to disperse peaceful protesters, who over the last days in a strong and unprecedented manner have expressed their support for Ukraine's political association and economic integration with the EU. This support had been welcomed yesterday by the participants of the Vilnius Eastern Partnership Summit. The unjustified use of force goes against the principles to which all participants of the Vilnius Summit, including the President of Ukraine, yesterday reaffirmed their adherence.

We call on Ukraine, also in its capacity as Chairmanship in Office of the OSCE, hosting its Ministerial Conference on 5-6 December in Kyiv, to fully abide by its international commitments to respect the freedom of expression and assembly.
