STATEMENT

by the Spokesperson on the terrorist attack in Grozny

"We condemn the attack of a suicide bomber on the City Day celebrations in Grozny. There can be no justification for such an attack against innocent lives. We express our condolences to the families of the victims as well as to Russia’s Government and people. We wish a quick recovery to all those injured.

The EU recalls the importance of fighting against terrorism in the common interest as expressed in the joint statement agreed at the EU-Russia Summit on January 28, 2014."
