

Research in France !

2016/2017 call for proposals

Scholarship Program for Israelis willing to do research in France.

Young Israeli scientists, willing to do research (any field of research is relevant), may qualify for a Fellowship from the French Government. The “Chateaubriand” and “the Humanities and Social Sciences” 2016-2017 fellowships call for proposals are open now!

The research will be performed at a French University, a School of Engineering or a Public Laboratory. Before applying for a fellowship, the candidates must contact the host institution to secure a position (for a Post-Doc) or to register at a French university (for doing a Master or a Ph.D.). These scholarships are available for a period of 12 consecutive months, with a monthly stipend of 1,704 Euros (Master student), 2,055 Euros (Ph.D. student) or 2,466 Euros (Post-Doctorate). Health insurance and a round-way airline ticket are also provided. Campus France (the French public institution in charge of managing international mobility of students & researchers) will be in charge of these aspects.

Applications

The online registration process will allow you to create a personal account, to apply at your ease and to follow-up your candidature.
