

# Fiscalis 2020

**Subtitle**

# Objectives of the programme

*European cooperation programme between Tax administrations*

*to improve the proper functioning of the taxation systems in the internal market, including:*

- **fight against tax fraud, tax evasion and aggressive tax planning,**
- **implementation of European Union law in the field of taxation by ensuring exchange of information, by supporting administrative cooperation**
- **Increase administrative capacity of participating countries to reduce administrative burden on tax authorities and compliance costs for taxpayers.**

# Eligibility criteria

*Open to partner countries of the European Neighbourhood Policy*

*Condition:*

- **provided that the countries have reached a sufficient level of approximation of the relevant legislation and administrative methods to those of the Union**
- **only activities under the programme which are aimed at fighting tax fraud and tax evasion and addressing aggressive tax planning**

## 2 Modalities of participation

**Unless that the nature or content of the activity prevent the participation**

*Ad hoc participation:*

- upon invitation to selected activities
- Active contribution to the activities' objectives
- Some costs reimbursed (travel, daily allowance, accommodation)

*Full participation:*

- framework agreement established
- wish to participate expressed
- agreement negotiated with the Commission on the conditions of participation, including financial contribution ("entry ticket")
