18.-19.01.2016	ENG, CZE	A new report presented to the Security Council of Russia by the Internal Security Directorate of the Federal Security Service warns about US president Obama's plans with biological and chemical weapons. Last week, the USA signed contracts with 17 companies regarding logistics and service support for biological and chemical war projects. The report connects it with the prophecy of Baba Vanga who predicted Muslim invasion with the use of chemical weapons. Obama regime considers overpopulation to be a major problem and since we know, it was the USA who created ISIS, we can expect the usage of biochemical weapons in Europe.	<a href="http://bit.ly/1Qstfa3">http://bit.ly/1Qstfa3</a> // <a href="http://bit.ly/1JuFS37">http://bit.ly/1JuFS37</a> // <a href="http://bit.ly/1OPRavN">http://bit.ly/1OPRavN</a>	WhatDoesItMean.com // OrgoNet @ BlogSpot // SvetKolemNas.info	The mentioned report is not to be found anywhere and probably does not exist. // Contracts are not related to the production of biological and chemical weapons but to defend against them: <a href="http://1.usa.gov/1Psfmda">http://1.usa.gov/1Psfmda</a> // The "predictions" of Baba Vanga don't include the use of biological and chemical weapons as stated in the article. // USA did not create ISIS. // For further claims, no evidence given.
