07.-13.01.2016	CZE	Leaked email correspondence of Czech Prime Minister Bohuslav Sobotka shows how the heads of governments manipulate the public during the migration apocalypse, which aims at deliberate destruction of national states and totalitarian rule of Brussels oligarchy directed from Berlin. The emails prove that national TV makes fairy tales for children based on theses of the PM's advisers and the NWO's interests.	http://bit.ly/1ZvfQyD (svetkolemnas.info) // http://bit.ly/1PAS2nz (protiproud.parlamentnilis.ty.cz) // http://bit.ly/1OrsH1F (aeronet.cz) // http://bit.ly/1OrsHyH (czechfreepress.cz) // http://bit.ly/1RONkJm (aeronet.cz)	The leaked correspondence does not prove any of these claims. 08.-09.01.2016	CZE	This Week's Trend: German government buys Czech prostitutes to satisfy the needs of young refugees. The prostitutes then spread refugees' sexual diseases among the Czechs. This theory is supported by a prophecy in the Bible.	http://bit.ly/1NfigOZ (aeronet.cz)	No evidence given.	European Values Think-Tank

09.-11.01.2016	ENG, CZE	The Russian ministry of defence announced in a report that the commanders of German air forces were in a complete shock after a common mission with Russian air forces over Levanta war zone. This mission proved beyond all doubt that the US cooperate with ISIS on massive stealing of Syrian and Iraqi oil. German forces were able to witness 12 000 ISIS oil barrels and trucks crossing the Turkish-Iraqi border with full protection of the US and Turkey. The report says that there is more and more evidence coming up about Germany being blackmailed by the US, which is why it cannot say anything publically. The author demonstrates the blackmail on the fact that the US absurdly accused Germany of installing a defective software into their diesel cars to deceive machines measuring emissions.	http://bit.ly/1Sq6l4s (whatdoesitmean.com) // http://bit.ly/1nbqnDx (czechfreepress.cz) // http://bit.ly/1Wm74mv (orgo-net.blogspot.cz) // http://bit.ly/1OYWznD (svetkolemna.info)	The report claimed does not exist. // The US did not accuse German government of installing a defective software. US agency dealing with the protection of the environment accused a German company Volkswagen which already confessed: http://bbc.in/1IkKpcB // For further claims: No evidence given. 11.-12.01.2016	RUS, CZE	The Ukrainian government takes revenge on people who move from Ukraine to Russia. Those people are bullied by unnecessary rules to change their citizenship. They have to pay a lot of money to Ukraine for the change of citizenship.	http://bit.ly/1OqdcHh (politikus.ru) // http://bit.ly/1RNL5Gj (nwoo.org)	There is nothing too unusual about Ukrainian rules for changing citizenship. 11.01.2016	ITA	Crimea as part of Russia - director of Limes magazine explains why is it correct to include Crimea in Russian territory.	http://bit.ly/1WkP1ND (limesonline.com)	According to international law, The Autonomous Republic of Crimea is part of Ukraine. 12.01.2016	CZE	This Week's Trend: Germany has established a cooperation with Facebook, Google and Twitter which will search for hate speech on the social networks and delete them. Germany has planned the abolition of freedom of speech long in advance, and the current migrant crisis is just an excuse for that. Criticism of illegal migrants will now be punished by jail. People won't be able to defend their daughters from being raped by immigrant without risking going to jail.	http://bit.ly/1OYZQDk (aeronet.cz)	The prohibition of hate speech is not in conflict with principles of freedom of speech. 13.-14.01.2016	RUS, CZE	President Poroshenko ruins Ukrainian children and turns them into nazis, his plans for educational reforms will lead to destruction of Ukrainian nation. People will get lower quality education so that they would not understand the disaster they are in. Young people are convinced that everything bad comes from communism, but Nazism is fine. 14.01.2016	CZE	This Week's Trend: The only way to stop the wave of refugees is to depose the government of president Erdogan in Turkey. Turkey cooperates with the Islamic State on a common project of islamisation of Europe. There is no political interest in the EU to stop the migrants because political elites want a multicultural Europe which will destroy western civilisation and its wasteful lifestyle. Western civilisation must get poor to keep the planetary resources a bit longer. In Germany everything went so far that the police does not intervene and only observes as the refugees rape women and politicians are scared of talking about anything in front of Angela Merkel. She serves the New World Order. There is only degeneration of civilisation, industrialisation of children raising, prohibition of expression, analphabetisation and control of information transfers awaiting for us now.	http://bit.ly/1lkJw41 (aeronet.cz)	Turkey and EU struck a deal to limit the refugee flow: http://bbc.in/1nrHbpm // German police did intervene during the New Year's riots: http://bbc.in/1P8XWSN // For further claims: no evidence given.
