	9,0	3,00	8.190.000,0	2.730.000,00	2009-2011	3,00	Grant	United States	The Justice and Law Enforcement Assistance Program (JALEA) is comprised of four projects that deploy US, international and Iraqi advisors in four critical areas of justice administration: 1) Court Administration (Iraq Higher Judicial Council Court Administration Project), 2) Judicial Security (Judicial Protection Project), 3) Judicial Professional Development, which includes the Judicial Development Institute (JDI), and 4) data management support within the HJC, MOI and MOJ (LJP). The program goal is to support HJC efforts to effectively use GOI resources to fulfill its mandate as a fully independent judiciary. Staff advise on process, policies, and systems to make the courts more efficient, accountable, and transparent. In addition, advisors develop Iraqi skills through planning and management support, needs analysis, curriculum development, and train-the-trainer programs at the Judicial Development Institute (JDI). Particular attention has been paid to IT elements in the courts, judicial security actors, and the linkage of HJC staff to public administration systems development.
