The Call for Proposals of the programme "Engaging civil society in Pan-African issues" was launched on 11 March 2016, with a total available budget of EUR 20 million.

Financed under the Pan-African Programme of the European Commission, the project aims at supporting the contribution of civil society organisations (CSOs) to continental decision- and policy making processes in Africa. Its objective is two fold:

- increase CSOs' ability to contribute to a more effective implementation and monitoring of African continental legal instruments and to a stronger awareness of the people of their rights;
- support CSOs' increased participation and contribution in African continental decision- and policy making and standard-setting.

The call is divided into four thematic lots:

1. Good Governance and Democracy
2. Human Rights
3. Peace and Security
4. Women's rights.

The deadline for submission of concept notes is **13 May 2016 at 16:00**.
