Income generating activities

Low level of value added

High value added

POSSIBLE KEY ACTIVITIES RESPONDING TO THE PROJECT EXPECTED OUTCOMES

**Establish/strengthen
community groups,
as well as support the
development of viable
food related economic
activities**

The European Union
Delegation to Cambodia

POSSIBLE KEY ACTIVITIES RESPONDING TO THE PROJECT EXPECTED OUTCOMES

**Trainings on
nutrition education
and food safety, as
well as distribution
of basic inputs**

The European Union
Delegation to Cambodia

POSSIBLE KEY ACTIVITIES RESPONDING TO THE PROJECT EXPECTED OUTCOMES

**Government Capacity
building: from the
field to policy
development**

The European Union
Delegation to Cambodia

ACHIEVEMENTS

A detailed
baseline study is
in progress

The European Union
Delegation to Cambodia

ACHIEVEMENTS

**Continuous
engagement of
government
officials at all
levels**

The European Union
Delegation to Cambodia

LESSONS LEARNED

The definition of the role of the government's counterpart and the importance of involving the Municipality

The European Union
Delegation to Cambodia

LESSONS LEARNED

**Production/harmonization of
basic information on the target
sites with government officials**

The European Union
Delegation to Cambodia

LESSONS LEARNED

The logistical and analytical challenges of working in the urban context : the need for a comprehensive baseline survey

The European Union
Delegation to Cambodia

LESSONS LEARNED

Maps are a key tool for project implementation

The European Union
Delegation to Cambodia

Main Activities Planned 4th Quarter 2011 – 1st Quarter 2012

- **Conclusion of the Urban Food Security and Livelihoods Assessment (UFSLA).**
- **Review of project workplan**
- **Inception Workshop**
- **Validation workshops with key stakeholders in the communities**
- **Further recruitment of human resources**
