ISRAEL

You are looking for **business partners** → We help you find them in 49 countries

You need the **right technology** → We have the world's largest technology transfer database

You want to **enter new markets** → We offer advice on EU funding

**We are the Enterprise Europe Network, business support on your doorstep, for free**

Join our Network today and take advantage of the complimentary services that are offered as part of the Enterprise Europe Network (EEN).

The EEN is the largest business network in Europe aimed at promoting and facilitating international technological, research and business collaboration. The extensive global EEN network features 600 partner organisations in 49 countries in Europe and beyond.

Membership in EEN provides you with access to partner matching services, referral programs, funding and grants, exclusive events and conferences, and more.

The Enterprise Europe Network ISRAEL is coordinated by [MATIMOP](#) - Israeli Industry Center for Research and Development, and in partnership with the [Manufacturer's Association of Israel](#) and the [Israel Export Institute](#).

With dedicated support from our Enterprise Europe Network Staff in Israel, you can join the Network and expand your business opportunities dramatically.
