

The Delegation of the European Union to the Kingdom of Lesotho invites goods- and service providers to register their interest to participate in tenders that the Delegation intends to launch in 2014 for the provision of a variety of goods and services.

1. It concerns tenders for the conclusion of contracts for the provision of goods and services indicated in the table below;
2. Conditions of tender will be specified at the time of the launch of the tender. Tenders will be announced on the Delegation's website and/or in the local press;
3. The place of delivery for different goods and services provided under the contracts is the Delegation of the European Union to the Kingdom of Lesotho (167 Constitution Road, Maseru West) and/or the staff residences all located in Maseru;
4. The conclusion of framework contracts is foreseen. This implies that a list of agreed suppliers of goods and services is established for the provisions of a specific category of goods and/or services. These suppliers will be invited to make specific offers during the lifespan of the contract.

Good and services for which tenders will be launched in 2014
