Title of the project	Liberia Civil Society Capacity Building Program
Source of funding	EU and Oxfam
Contracting authority	The European Union
Implementing partner(s)/contractor (s)	Oxfam
Total value in EUR	EUR 625,022
EU's contribution	468,767 funded by the EU
Duration in months	30 months
Starting date	10 January 2012
Specific Objective	To contribute to the promotion of an inclusive and empowered society in Liberia as well as to build the capacity of non-state actors and their networks in five counties in North and East Liberia.
Expected results	Result 1: Capacity of non-state actors developed in areas of effectiveness and accountability. Result 2: Stronger civil society able to influence decision-making processes on government policies. Result 3: Increased cooperation between NSA networks, specifically women's networks, and organizations at local, national and regional level.
Beneficiaries	Communities within five Liberian counties who will benefit from better information and more effective civil society representation. In addition, local government in these areas will benefit from engagement and collaboration with the NSAs.
Location	Liberia: Grand Gedeh, River Gee, Nimba, Bong and Lofa Counties.

Title of the project Source of funding Contracting authority	 <i>"Knowing what we can do:</i> Empowering Liberia Civil Society through effective media interaction, capacity development, networking, and access to information in Lofa, Nimba, Bong and Grand Bassa counties". EU and Trocaire The European Union
Implementing partner(s)/contractor (s)	Trocaire
Total value in EUR	EUR 623,158
EU's contribution	467,368 funded by the EU
Duration in months	27 months
Starting date	10 January 2012
Specific Objective	To strengthen the capacity of civil society organizations, and its interaction with the media, local authorities and private sector to voice out effectively citizens' interests and concerns in Bong, Nimba, Lofa and Grand Bassa counties.
Expected results	 Strengthened organizational and leadership capacity of CSOs/CBOs and their networks. Strengthened capacity of CSOs/CBOs and their networks to engage with the media and to use communication strategies for advocacy purposes. Increased media coverage and visibility of development issues raised by CSOs/CBOs and their networks. CSOs/CBOs and civil society networks have increased access to information in the 4 counties.
Beneficiaries	At least 180 CSOs/CBOs nationwide targeted by toolkits, web-based digital resource centre and through replication of the action. An estimate of 1.8 million habitants of the 4 counties.
Location	Liberia, Nimba, Bong, Grand Bassa and Lofa counties
