### YOUTH IS INVITED TO APPLY FOR THE 5<sup>th</sup> EDITION OF SUMMER SCHOOL

**„EU for YOU: value EU opportunities for you and your locality”**

**Chisinau, 31 May, 2016** – The Delegation of the European Union to Moldova organizes the 5th edition of the summer school dedicated to the development of Moldovan Euroclubs network. The summer school will take place during 6<sup>th</sup> - 9<sup>th</sup> of July and plans to host 25 young people for 4 days.

The Agenda of summer school includes seminars, workshops, debates, and discussion clubs dedicated to stringent development needs of youth. While, youth will discuss about the EU programs eligible for youth from Moldova and how to develop a Euroclub, etc.

As well, beneficiaries of the summer school will carry out team building activities, aiming to form their leadership skills, teamwork skills & participative attitude, and not the least - strengthening the network of Euroclubs in Moldova.

*"At all times young people are the driving force of the development and modernization of a country. In this sense, the purpose of the summer school is to encourage young people to be proactive and take responsibility for their future, starting from today. In this edition of the summer school we intend to engage with young leaders who are active in the development of their communities. Community success depends on the involvement of young people and their civic responsibility. Thus, the participants of this summer school will benefit from the opportunities offered by the EU for their personal development and for their communities."* stated Ambassador Pirkka Tapiola, Head of the EU Delegation in Republic of Moldova.

The candidates for the summer school will be selected following a public competition. Participation at the summer school is free of charge. Organizers will provide accommodation, food and travel costs for the participants.

Summer schools developed by the EU Delegation in Moldova were launched in 2012. The all four editions were attended by around 120 young people from different regions from the both flanks of the river Nistru.
