

## ANNEX II

### **Addendum No 1 to the Country Strategy Paper and National Indicative Programme**

#### **European Community and Mozambique**

In response to soaring international food prices, an ad-hoc review was carried out in accordance with Article 5 of Annex IV to the revised ACP-EC Partnership Agreement.

Upon completion of the ad-hoc review, and in the light of an assessment of the special needs of Mozambique resulting from the macro-economic and social effects of soaring international food prices, the Community has increased the allocation of resources for unforeseen needs (B-envelope) of the country by €12,11 million in accordance with Articles 3(5) and 5(7) of Annex IV to the revised ACP-EC Partnership Agreement.

The new B-envelope allocation is € 24,21 million.

This addendum amends the indicative allocation for the B-envelope referred to in paragraph 2 of the summary cover accompanying the CSP and NIP, and all other references to this amount made in the corresponding chapters of and annexes to the CSP and NIP thereto adopted by Commission Decision C(2007)6065 of 6 December 2007 and its subsequent amendment adopted by the Commission decision C(2008)8508 of 19 December 2008.
