Target 2:

Nationals and/residents of Africa, registered in or having obtained a university degree or equivalent in a higher education institution of such countries and not included in the Partnership.

WHAT IS THE PROGRAMME ABOUT?

"The Intra-ACP mobility scheme aims at a broad academic and cultural as well as geographically diverse exchange between higher education institutions in African countries. The overall objective is to promote high-quality education for students and young academics and to increase access to higher education in general."

The programme builds on the African Union's Mwalimu Nyerere Programme for Africa with funding from European Development Fund (EDF).
