DELEGATION TO NEPAL

13.11.2014

EU and its Member States did not request to MoFA a ban on animal sacrifices at Gadhimai

Recently, a number of media have published news on the EU and its Member States having called on the Nepalese authorities to ban animal sacrifice at Gadhimai Temple. The European Union has not made such a request to the Ministry of Foreign Affairs and no letter has been sent on behalf of the EU to the Ministry of Home Affairs or any other institutions. The European Union to Nepal takes this opportunity to invite media partners to always verify EU-related information with the Press and Information section of the EU Delegation.
