

EUROPEAN UNION  
DELEGATION TO NEPAL

17.03.2015

**Fourth European Union Film Festival**  
**Let us all listen to the voices of the youths**

The European Union Film Festival entitled 'Voices of the Youth' is being held from 21<sup>st</sup> March to 25<sup>th</sup> March at Kumari QFX, Hall-1 at Kamal Pokhari.

The festival, fourth in a series, is being jointly organised by the Delegation of the European Union to Nepal, the British Council. Our Member States have made this possible by sending us the movies that we will screen in the coming days.

Nineteen award winning movies will be screened at the festival that will showcase different stories of young people. The movies show a collection of passions and dreams, fun and joy, fear and frustration, mistakes and recognition- all things affecting the young and not so young.

All films will be screened in the national languages of the European Union Member States with English subtitles. Among them there are languages like Hungarian, Danish and Lithuanian – many of which you may hear for the first time. Above all, the movies portray Europe's fascinating diversity and its rich cinema tradition.
