

## **The European Union Delegation to Singapore is looking for Economic and Trade Officer**

### **We are**

The European Union (EU) is an economic and political partnership between 28 European countries. It plays an important role in international affairs through diplomacy, trade, development aid and working with global organisations. Abroad, the EU is represented through more than 140 diplomatic representations, known also as EU Delegations, which have a similar function to those of an embassy. The EU Delegation to Singapore promotes closer ties with Singapore by providing an efficient and reliable communications channel between the European Union and the Singapore government.

### **We offer**

We offer a post of International Relations Officer in the Economic and Trade Section to assist the Head of the Section in carrying out the Delegation's work on economic and trade matters. The selected person will monitor and report on economic, investment and trade issues and provide briefings, draft speeches, statements, press releases and articles concerning economic, investment and trade issues. He/She will also follow issues regarding the implementation of the EU-Singapore FTA and monitor the situation and track the evolution of policies in the economic, investment and trade fields as well as Singapore position in on-going or planned multilateral, regional, or bilateral trade negotiations.

We offer a competitive progressive career in an international environment. Starting salary is SGD 7,160 per month. Benefits, such as additional EU provident fund and medical insurance, are offered to employees and their families under certain conditions.

### **We look for**

#### **EDUCATION AND TRAINING**

University Degree in economics, international trade or political sciences.

#### **EXPERIENCE**

At least 2 years of working experience in the topics related to the specific field that he/she is asked to cover. Good knowledge of Singapore and South-East Asia environment. Experience in an embassy in similar areas is considered an asset.

#### **LINGUISTIC SKILLS**

Excellent command of English (written and spoken)

Working knowledge of French (read and spoken) and other official languages of Singapore is considered an asset.
