

## Border Management Programme in Central Asia (BOMCA)

Funded by the European Union

Implementing partner

*Empowered lives.  
Resilient nations.*  
Implemented by UNDP

### ***National training on “Gender aspects in safety. The role and competencies of public authority and self-government bodies in implementation of gender policy in accordance with the State requirements”***

***Dushanbe, Tajikistan (20 June 2013)*** – 25 High and Mid – levels of local administration, Djamoats, law enforcement officers, deputy of local authorities and other specialists from cross bordering provinces of Batken, the Republic of Kyrgyzstan and Isfara city, the Republic of Tajikistan had attended two day training on ***“Gender aspects in safety. The role and competencies of public authority and self-government bodies in implementation of gender policy in accordance with the State requirements”***, which took place in Kairakkum city, Sughd oblast.

The training was organized by Border Management Programme in Central Asia (BOMCA), funded by the European Union jointly with UNDP/BOMCA Kyrgyzstan in the frame of its Peace Development Project.

Two trainers from the Republic of Kyrgyzstan had provided the basic and advance level training on gender issue in the context of safety, mainly addressing the cross bordering gender issues that occur between cross bordering provinces. Another topic of the training was, how the gender issue can be identified in that provinces and how it can be addressed and resolved, and as a result the proper solution of the gender issues dramatically raise the economy of the province.

The overall objectives of BOMCA are to help increase security in the Central Asian region, to contribute toward the facilitation of legitimate trade and transit, and to reduce the illicit movement of goods and people.

The BOMCA Programme is funded by the European Union and implemented by UNDP, with ICMPD as an implementing partner for training component.
