

## Eastern Partnership Flagship Initiatives

EaP Flagship Initiative	Project name	EU budget	Comments
<p>Integrated Border Management</p> <p>Cooperation on border management in the EaP countries is focused on improving security, reducing smuggling and human trafficking and facilitating mobility of people across non-EU borders. It is also meant to help partners approximate border management rules and adopt best practices in line with EU border management standards.</p>	South Caucasus Integrated Border Management (SCIBM)	€6 million	Under Regional East Programme 2009 (also contributing to the objectives of the Flagship). Ongoing
	EaP – IBM Flagship Initiative Training project <a href="http://eap-fit.eu">http://eap-fit.eu</a>	€2 million	Under Regional East Programme 2010. Ongoing
	Pilot projects at the borders between partner countries	€5 million	Under preparation under Regional East Programme 2011
<p>Small and Medium Enterprises (SME) Facility</p> <p>The Flagship was set up to support the needs of SMEs in the Eastern Partnership countries and provide external stimulus to growth and employment. It aims to achieve this by supporting existing initiatives for the improvement of the business climate, improving and extending the provision of advisory services to SMEs and by establishing a SME funding facility.</p>	East-Invest Program - Support for development of business associations and networking <a href="http://www.east-invest.eu">www.east-invest.eu</a>	€7 million	Under Regional East Programme 2009. Ongoing
	Turn Around Management and Business Advisory Services (TAM/BAS) <a href="http://www.tambas.eu">www.tambas.eu</a>	€5 million	Under Regional East Programme 2010. Ongoing
	SME Funding Facility	€15 million	Under Interregional Programme 2010. Ongoing
<p>Regional Electricity Markets, Energy efficiency and Renewable Energy Sources</p> <p>(objectives of the flagship are supported in the framework of the INOGATE programme; all the projects listed contribute to the objectives of the Flagship <a href="http://www.inogate.org">www.inogate.org</a>)</p> <p>This flagship has a focus on improving the integration of the electricity net and encouraging sustainable energy as ways to address security of energy supply.</p>	<ul style="list-style-type: none"> <li>- INOGATE Secretariat</li> <li>- Energy Market Convergence/Electricity and Gas</li> <li>- Strengthening institutional capacity for sustainable energy governance (INOGATE)</li> <li>- Support to Energy Security through Statistical Cooperation (INOGATE)</li> </ul>	€17 million	Under Regional East Programme 2010 and 2011. Implementation start end of 2011
	Supporting participation of Eastern Partnership and Central Asian Cities in the Covenant of Mayors	€5 million	Under Regional East Programme 2010. Ongoing
