Foreword

I am proud to present our annual flagship cultural event: the 21st EU Film Festival "Europe on Screen 2021" (EOS).

The festival continues to be our way of highlighting the best of European cinema to the Indonesian public. For this year, we are delighted to showcase 53 high quality films from 25 European countries; and 1 compilation of short films from winners of the EOS 2020 Short Film Pitching Project (SFPP).

As in previous years, the festival features stories of love and loss, sorrow and joy, solitude but also solidarity. Stories that make us reflect about the way of the world today but also about change that is necessary and possible. These films are not only an expression of Europe's creativity and diversity but are also a powerful way of communicating ideas across borders. They are likely to leave lasting impressions.

My warmest gratitude goes to all those who made this year's festival possible: colleagues from the Embassies and Cultural Centres of the EU Member States and other European countries, the Festival Co-Directors and their team, as well as all our partners.

Enjoy the festival!

Vincent Piket

Ambassador of the European Union to Indonesia and Brunei Darussalam

Dengan bangga, saya mempersembahkan kembali kegiatan budaya unggulan tahunan kami: Festival Film Uni Eropa ke-21 "Europe on Screen 2021" (EOS).

Festival ini adalah upaya kami untuk terus menampilkan sinema Eropa terbaik kepada publik Indonesia. Untuk tahun ini, kami dengan senang hati menampilkan 53 film berkualitas tinggi dari 25 negara Eropa dan 1 kompilasi film pendek para pemenang EOS 2020 SFPP.

Seperti tahun-tahun sebelumnya, festival ini menampilkan kisah cinta dan rasa kehilangan, kesedihan dan kegembiraan, kesendirian tetapi juga solidaritas. Kisah-kisah yang membuat kita berpikir tidak hanya tentang dunia saat ini, tetapi juga tentang perubahan yang perlu terjadi dan dapat dilakukan. Film-film ini tidak hanya merupakan ekspresi kreativitas dan keragaman Eropa, tetapi juga merupakan cara yang ampuh untuk mengkomunikasikan ide-ide lintas batas. Film-film ini kemungkinan besar akan meninggalkan kesan mendalam.

Terima kasih kepada semua yang mendukung terlaksananya festival tahun ini: rekan-rekan dari Kedutaan Besar dan Pusat Kebudayaan Negara-negara Anggota Uni Eropa dan Negara-negara Eropa lainnya, Co-Direktur Festival dan tim mereka, serta semua mitra kami.

Selamat menonton!

Vincent Piket

Duta Besar Uni Eropa untuk Indonesia dan Brunei Darussalam

Prakata

Congratulations to all of us who survived the amazing ride in times like this!

I fully understand that it has not been an easy ride and it is getting harder nowadays. I salute those who don't give up and keep on rolling, especially to our Short Film Pitching Project 2020 winners who kept their promise in premiering their film in #EoS2021, in spite of the pandemic limitations.

I am grateful for the EoS 2021 team and festival partners that have not given up in spite of all the challenges in presenting more European films virtually, whose stories will inspire you. Lastly, I am crossing my fingers that next year we could meet face-to-face and watch the film in physical festival venues together again, while applying the health protocols.

Cheers to life, thank you for watching EoS 2021 and let us know how the EoS films touch your heart.

Selamat kepada kita semua yang berhasil bertahan hidup dari masa-masa sulit seperti ini.

Saya mengerti bahwa tidak ada perjalanan yang mudah, terlebih lagi sekarang. Namun saya sangat menghargai mereka yang tidak menyerah dan memilih untuk tetap hidup, terutama kepada para pemenang Short Film Pitching Project EoS 2020 yang semangat memproduksi film walaupun dihadang pandemi, agar bisa tayang perdana di #EoS2021.

Saya bersyukur memiliki tim EoS 2021 dan rekan-rekan festival kami yang tidak menyerah menghadapi tantangan dalam menayangkan lebih banyak lagi film-film Eropa yang akan menginspirasi Anda semua. Terakhir, saya berharap bahwa tahun depan kita dapat bertatap muka dan menonton film bersama di tempat pemutaran dengan mematuhi protokol kesehatan.

Tetap semangat, terimakasih untuk menonton EoS 2021 dan beritahu kami film-film EoS mana yang menyentuh hatimu.

Meninaputri Wismurti

Welcome to the 21st Europe on Screen. This year also marks the second time we do the festival in a virtual format.

Despite the challenging times we are in right now, our festival aims to bring you some exciting contemporary European films. We hope these films will amuse, comfort and inspire you.

I would like to thank the EU delegation, participating embassies and institutions, and our whole team for their support. Personally, I would like to extend my gratitude to healthcare workers and frontliners for their tremendous hard work. I would also like to pay tribute to our departed loved ones, some of whom were our festival audiences and great supporters. The festival is dedicated to the memory of them.

Specialties: Short Film Pitching Project

Short Film Pitching Project was initiated in Europe on Screen 2018. The idea was to invite emerging filmmakers to develop their first short films. In our 3rd year in 2020, out of 170 submissions, we narrowed it down to 9 projects that we invited to pitch in front of professional filmmakers. We selected 3 projects to receive partial production funds from the festival, and we are proud to premiere the winning projects again this year.

The submissions for the fourth Short Film Pitching Project started in June and the shortlisted projects will pitch their ideas during EoS 2021.
