# **Enhanced Regional EU-ASEAN Dialogue Instrument**

## **E-READI**

## What is E-READI?

E-READI is a dialogue instrument that supports EU-ASEAN policy dialogue and ASEAN regional integration through sharing regional integration experience in policy areas of joint interest. Besides policy-makers from the EU and ASEAN institutions and Member States, it also aims to enhance interaction with the civil society, the private sector and other relevant stakeholders across different policy areas.

E-READI started on 1st September 2017, with a budget of EUR 20 million and foreseen implementation period until 2023.

## What kind of support does E-READI provide?

E-READI can offer organisational and logistical support to EU-ASEAN meetings, workshops or study visits, related to jointly identified policy dialogue areas.

E-READI can also support the conduct of expert studies and analyses in support of the sectoral dialogue areas, or provide other short-term technical assistance support.
