

#TeamEurope response to coronavirus in Indonesia

May 2020 #Coronavirus #EUfightsCorona #TeamEurope

The European Union and its Member States are joining forces to support Indonesia in response to the coronavirus crisis.

Tackle immediate needs for prevention, protection, medical care and crisis response

Donation of hazmat suits and face shields to hospitals, **as well as food packages** to foundations supporting children and communities in need

Donation of hygiene supplies, equipment and food to hospitals and people in need by the Croatian Embassy and community in Indonesia

Support to the IAEA (€100 000) for **rapid PCR test kits**

Donation of masks, clothes, and other necessities to hospitals and healthcare workers. Swedish tech companies support digital solutions to the pandemic

Grant (€10 million) accompanying loans by the German KfW of €67 million to **support teaching hospitals** in South Sulawesi and East Java (planned)

Grant support (€5 million) for credit line of USD 150 million by the Agence Française de Développement (AFD) to PT SMI including on their mandate to **strengthen the health sector**

Strengthen the health, water and sanitation systems

The **Global Fund to Fight Aids, Tuberculosis and Malaria** (€8.3 million) ensures the lessons learnt from the fight against these diseases are included in the response to the coronavirus

Support to the WHO (€20 million) for Southeast Asia, including Indonesia, to strengthen the health system and capacity to respond to the coronavirus and future diseases

Address the economic and social consequences

Support to the UN Multi Sector Response Plan through IOM (€450 000) for coordination mechanisms and community-based protection services in Indonesia

Grant funding for NGOs (€6 million) to support the government to tackle the health emergency and mitigate economic, social and health impacts. Support to **economic recovery, while enhancing social protection** mechanisms through immediate impact measures, such as scaling up cash transfers, insurance, and food security

Public Finance Management: Advice to the government of Indonesia on expenditure management through the PFM Trust Fund (€10 million)
