## STATEMENT

### by the Spokesperson on the DPRK's ballistic missile launches

*"We are deeply concerned about the launch of short range ballistic missiles by the Democratic People's Republic of Korea (DPRK) on 29 June 2014. The firing of ballistic missiles constitutes a clear violation of the DPRK's international obligations as set out in particular under UN Security Council Resolutions 1718 and 1874.*

*We call upon the DPRK to comply fully, unconditionally and without delay with all its obligations under the relevant UN Security Council Resolutions. We also urge the DPRK to refrain from any action that could further increase regional tensions."*
