

THE EUROPEAN UNION AND ARMENIA

#StrongerTogether

EU and Armenia relations are based on the **EU-Armenia Comprehensive and Enhanced Partnership Agreement (CEPA)**, which fully entered into force on 1 March 2021.

Thanks to EU support, over 13,100 young Armenians have taken part in exchanges, mobility, training, and volunteering projects in the EU in 2020.

Armenia has made significant efforts to reform the justice system by strengthening the integrity and accountability of the judiciary, improving access to modern and quality judicial services, and establishing a specialised Anticorruption Court.

Armenia is committed to pursuing a comprehensive reform agenda based on democracy, transparency, and rule of law – in particular the **fight against corruption, reforming the judiciary and enhancing its accountability to citizens**, and ensuring **equal economic, employment and social opportunities for all**.

The EU is one of Armenia's main trading partners, with an 18% share of its total trade in 2020. Total bilateral trade between the EU and Armenia exceeds €1 billion per year.

The **EU is a key reform partner in Armenia**, providing around **€65 million** of grant money annually for Armenia's ambitious reform agenda.

ECONOMIC & INVESTMENT PLAN

The EU supports Armenia with concrete investments to help post-pandemic recovery, improve the lives of Armenian citizens, and foster economic growth and job creation. In the coming years, the EU will invest in the following **five flagship projects**:

INSTITUTIONS

- The EU supports Armenia in the implementation of key reforms on justice, police, the fight against corruption, and anti-discrimination.

ECONOMY

- In 2020, EU4Business invested close to €100 million of funds. This has benefitted over 7,000 SMEs and created over 1,400 new jobs.

GREEN

- 7,000 households have received EU support for energy efficiency renovations.

RECOVERY RESILIENCE REFORM

SOCIETY

- Over 14,750 students and academic staff exchanges have taken place between Armenia and the EU under Erasmus+ (2014-2020).

DIGITAL

- The EU-TUMO Convergence Center empowers Armenian youth with top skills relevant for the knowledge economy. It hosts the renowned tuition free computer programming School 42, which was launched in January 2021 with 150 participants, including 50% women.

COVID-19 RESPONSE

The EU rapidly responded to the urgent needs of Armenia and its citizens during the COVID-19 pandemic with a Team Europe package of close to €100 million. This includes not only substantial budget support to the government, but also:

- targeted social assistance to over **3,000 vulnerable households**,
- access to online education for **350 children**,
- support to over **1,000 Armenian SMEs** to develop new digital approaches for their businesses,
- key **medical equipment** for patient care in hospitals and COVID analysis in laboratories.

Sustainable, innovative and competitive economy – direct support to 30,000 SMEs

Connectivity and socio-economic development – the North-South corridor

Digital transformation, innovation, science and technology

Resilience in the southern regions

Green Yerevan – energy efficiency and green buses
