

## Salsabila Neivada Putri

Lubuklinggau, South Sumatra

@salsabilnvd

### Occupation:

Bachelor of Law Graduate at  
Universitas Sriwijaya

Part-timer, freelance, activist

### Currently active in the following organisations:

Asian Law Students' Association  
(ALSA)

Language Ambassador of South  
Sumatera Association

As the top Law Graduate at Universitas Sriwijaya, Salsabila wants to become a law enforcement figure who ensures Indonesia's legal field is professional and fair and guarantees equality and the fulfillment of human rights. Salsabila aims to contribute and actively participate in Indonesia's social development initiatives by establishing optimal diplomatic relations and cooperation between Indonesia and EU nations and acting as the strategic bridge to accommodate creative ideas amongst Indonesia's youths.

Throughout her journey as a law student, she has grabbed numerous achievements, such as being named the Ambassador of the LAPOR! (People Aspiration and Complaint Online Service) platform by the Ministry of Administrative and Bureaucratic Reform, 2nd Place Winner in the National Law Students Debate Competition at Syarif Hidayatullah State Islamic University Jakarta, named the Most Outstanding Student by the Faculty of Law at Sriwijaya University and chosen as the Indonesian Representative at the United Nations Conference on Trade and Development (UNCTAD) YSI Summer School 2023 on Globalisation and Development Strategies. In addition to her achievements, Salsabila is also the Local Ambassador of Y20 Indonesia 2022 as a consultation forum for youth in G20 countries.

By joining the Youth Sounding Board (YSB) programme, she aims to absorb as many valuable insights as possible, build international networks, and facilitate youths' creative ideas that align with the Indonesia-European Union cooperation objectives. With her expertise and established network in the legal field, Salsabila aims to disseminate the outputs of her involvement in YSB through social media tools to educate the public to have a more concrete understanding of the strategic steps necessary to improve the welfare of Indonesians.
