

## EEAS PRIVACY STATEMENT - DATA PROTECTION NOTICE

FOR THE PURPOSE OF

### PROCESSING PERSONAL DATA OF PARTICIPATING INSTITUTIONS RELATED TO EVENT “EUROPEAN HIGHER EDUCATION FAIR 2022 JAPAN (EHEF 2022 Japan)” ORGANISED BY THE EU DELEGATION TO JAPAN

#### 1. INTRODUCTION

The protection of your personal data and privacy is of great importance to the EU institutions and bodies, including the European External Action Service (EEAS) along with the Union Delegations. You have the right under EU law to be informed when your personal data is processed [collected, used, stored] as well as about the purpose and details of that processing.

When handling personal data, we respect the principles of the Charter of Fundamental Rights of the European Union, and in particular Article 8 on data protection. Your personal data are processed in accordance with Regulation (EU) 2018/1725 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data, aligned with Regulation (EU) 2016/679, the General Data Protection Regulation. In this privacy statement you find information about how the EEAS and EU Delegations process your personal data and what rights you have as a data subject.

#### 2. PURPOSE OF DATA PROCESSING: Why do we process your data?

The purpose of the processing is to ensure proper organisation and management of the EHEF 2022 Japan by the EU Delegation to Japan in order to disseminate information among participants and to the public, enhance cooperation, networking, facilitate exchange fora, often web-based. It is also intended to further contact participants and to promote EU Public Diplomacy permitting to engage individuals in public diplomacy activities and other events. You can find information on the legal basis in Point 7 of this Privacy Statement.

- The organisation of 'EHEF 2022 Japan' includes the management of contact and mailings lists for invitations, handling of participation requests and feedbacks, the preparation and distribution of preparatory materials, meeting reports and news items and publications to the participants.

Publication and communication activity related to 'EHEF 2022 Japan' for dissemination purposes includes the publication of information about EHEF 2022 Japan to interested parties and the public in general, among others on the EEAS Intranet and/or on the EEAS website and the distribution of photos and videos produced for the event.,

Each participating institution will have its own page on the EHEF 2022 Japan website, which will include institution information, links to downloadable documents, contact details, and an embedded pre-recorded presentation video. Participating institutions are free to use any platform to record their presentation video. On the days of the event (19-20 November) a text chat function will enable institution staff to engage directly with students living outside the Kanto and Kansai regions unable to visit the physical event.

When registering your details as a Team Member on the EHEF 2022 Japan website content management platform you can consent, separately, to further uses of your data as explained in point 7.

### 3. DATA PROCESSED: What data do we process?

I. Personal data will be collected, used and kept only to the extent necessary for the purposes above. Data, including personal data, that may be processed, are the following:

- Identification and contact data, including name, title, profession, function, postal/e-mail address, phone numbers and any other administrative information and contact details
- Biography or CV if needed

- photos taken of you consulting students at your institution's booth by or on behalf of the event organisers (including those taken by their contractors or photographers) on the days of the event to be used in EU communication activities, including the Delegation of the EU to Japan's social media platforms.

You can withdraw consent any time and object to the processing indicating it to the organisers. This does not influence the legality of processing your data and using your content before we receive your withdrawal. We will remove all available material and information within a reasonable time after you withdrew consent. You also have the option not to provide consent to one or more of the above data processing activities.

## 8. TIME LIMIT - DATA STORING: For what period and how we process your data?

Our aim is to keep your personal data not longer than necessary for the purposes we collect them. After EHEF 2022 Japan, your data are kept as long as follow-up actions to EHEF 2022 Japan are required. Reports and other material containing personal data are archived according to e-Domec policy.

Personal data will be deleted five years after the last action in relation to the EHEF 2022 Japan. Personal data may, if you gave your consent, be part of a contact list shared internally among EEAS services for the purpose of promoting future EU activities and disseminating information.

Financial data related to EHEF 2022 Japan will be kept for a maximum period of 10 years after the end of the event or meeting for auditing purposes. Personal data may be kept for information and historical, statistical or scientific purposes for a longer period of time including the publication on the EU Delegation to Japan and EEAS Intranet or EEAS website with appropriate safeguards in place.

### Security of data

The EEAS and EU Delegation to Japan strive to ensure a high level of security for your personal data. Appropriate organisational and technical measures are ensured according to Article 33 of Reg. (EU) 2018/1725. The collected personal data are stored on servers that abide by pertinent security rules. Data is processed by assigned staff members. Access to specific files requires authorisation. Measures are provided to prevent unauthorised entities from access, alteration, deletion, disclosure of data. General access to personal data is only possible to recipients with a UserID/Password. Physical copies are stored in a secured manner. In case a service provider is contracted, as a processor, the collected data may be stored electronically by the external contractor, who has to guarantee data protection and confidentiality required by the Reg. (EU) 2018/1725. These measures also provide a high level of assurance for the confidentiality and integrity of the communication between you [your browser] and the EEAS/EU Delegation to Japan. Nevertheless, a residual risk always exists for communication over the internet, including email exchange. The EEAS relies on services provided by other EU institutions, primarily the European Commission, to support the security and performance of the EEAS website.
