

## SWITCH-ASIA II PROGRAMME

# Information Session

The objective of the SWITCH-Asia II Programme continues on the achievements of the SWITCH-Asia Programme (2007-2014) having as its main priority the systematic change towards environment and climate-friendly consumption and production approaches in the Asian region.

### New call for proposals

SWITCH-Asia II launches its second call for proposals with a total budget of €19 600 000 funding grants ranging from €800 000 up to €2 500 000.

Project proposals for SWITCH-Asia II are welcome from business intermediaries (business associations, industry organisations, service providers), as well as SMEs' business partners (such as retailers or financial institutions) and policy makers at regional and local level.

### Aim of the Information Session

EU Delegation representatives will explain in detail the objectives of the programme and the application procedures.
