ASIA-EUROPE MEETING

A unique informal platform
for dialogue and cooperation
between Asia and Europe

ASEM: CONNECTING ASIA AND EUROPE SINCE 1996

What is ASEM?

An open and informal partnership working for peace, security, human rights and prosperity for all

The **Asia-Europe Meeting (ASEM)** is a **unique, informal platform** for dialogue and cooperation between Asia and Europe on the big challenges of a fast-changing world, such as connectivity, trade and investment, climate change, but also broad security challenges such as counter-terrorism, migration, maritime security and cyber issues.

Bringing together **53 partners** from across Europe and Asia, ASEM is the main multilateral platform linking Europe and Asia with significant global weight: ASEM partners represent 68% of global trade, 60% of global population, 65% of global GDP and 75% of global tourism.

For more than 20 years, ASEM has been **the most comprehensive partnership between Asia and Europe**, crossing hands across continents.

ASEM's main purpose is to **provide a platform** to foster political dialogue, strengthen economic cooperation and tackle global challenges together. In many respects, recent developments in the international landscape have increased the value of ASEM as a key building block for an open, cooperative and rules-based international system.

ASEM is conducted as an **informal and flexible process** on the basis of equal partnership, mutual respect and mutual benefit. It aims to **promote the exchange of ideas and best practices** and thus act as a breeding ground for new policy ideas. In short, ASEM is the most **influential comprehensive partnership** between Asia and Europe, boosting connectivity in all its dimensions between the two regions.

A unique
multilateral,
inter-regional
framework to
increase
awareness,
policy exchange
and tangible
cooperation
between the Asian
and European
continents.

How does ASEM work?

ASEM works through meetings and activities organised at different levels.

Summits

Attended by **Heads of State and Government of the European and Asian countries**, the President of the European Council, the President of the European Commission, and the ASEAN Secretary-General. They serve as the **highest level of decision-making** in the ASEM process, and are held every second year, alternating between Asia and Europe.

Foreign Ministers Meetings

Attended by the **High Representative for Foreign Affairs and Security Policy, ministers of Foreign Affairs of the European and Asian countries** and the ASEAN Secretary-General. They have the responsibility for the **overall coordination** of the ASEM process and are a driving force of the ASEM political dialogue.

Ministerial Meetings

Economic, Finance, Environment, Culture, Transport, Labour and Employment, Education, Science and Technology, ICT, Small and Medium Enterprises ministers meet on a regular basis to discuss issues of mutual concern. Additional ministerial conferences are held irregularly on specific issues and areas that are not covered by the main ministerial meetings.

Senior Officials' Meetings

bring together high-level civil servants from the **Foreign Ministries of all ASEM partners** for the overall coordination of the ASEM process. Sectoral SOMs are also held in preparation of the various Ministerial meetings.

Regular dialogues

E.g. Customs General Directors' Meeting; Conference of General Directors of **Immigration**; Informal Seminar on **Human Rights**; Rectors' Conference; Mayors and Governors Meeting. Ad Hoc activities on **sustainable development, nuclear safety, disaster relief, biodiversity, youth, employment**, etc.

Activities and initiatives

Are organised by **ASEM partners** on a wide range of **issues of mutual interest**. A full overview of all ASEM meetings can be found on the **ASEM InfoBoard**.

ASEM is...

Informal

ASEM provides an open forum for policy makers and officials to discuss political, economic or socio-cultural issues of common interest, complementing the work already being carried out in other bilateral and multilateral fora.

Equal partnership

ASEM offers a platform to enhance understanding and awareness amongst its partners, through dialogue and cooperation on topics of mutual interest on the basis of equal partnership, mutual respect and benefit.

Open and evolutionary

ASEM moves with the times, both in terms of issues addressed and with regard to membership.

Multi-dimensional

ASEM covers a wide spectrum of topics between the two regions and devotes equal attention to political, economic and socio-cultural dimensions.

High-level and people-focused

ASEM provides a platform for meetings of Heads of State and Government, ministers and senior officials.

However, ASEM also fosters people-to-people contacts between the two regions, such as exchanges between civil society representatives, youth representatives, experts in various domains, etc

ASEM has no permanent secretariat. Foreign ministers and their senior officials have overall coordinating responsibility for the ASEM process. They are assisted by an informal group of coordinators (two from the Asian side – one each from the ASEAN and non-ASEAN group – and two from the European side – the European External Action Service (EEAS) as the permanent coordinator and the rotating EU Presidency).
