ENPARD: Support to Agriculture
and Rural Development

PILLAR II

ENPARD COOPERATIVES STRENGTHEN FARMERS ACROSS GEORGIA

Since the introduction of ENPARD in 2014:

15,000 farmers
registered in 1500 cooperatives

250,000 people
have received advice
on farming
through 59 Information
and Consultation
Centers

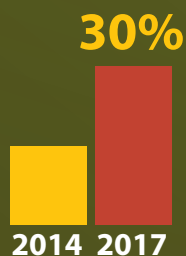

2,000 farmers
in over 280 cooperatives
benefitted from
direct EU funding

More than
8,000 farmers
received EU-funded
training on agriculture
and business management

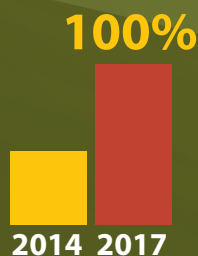

Studies on ENPARD cooperatives show:

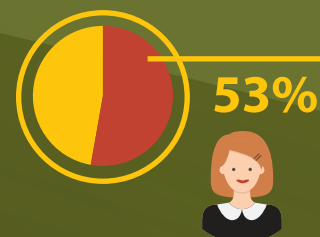

Cooperatives have
increased their
NET INCOME

Cooperatives have
increased their
PRODUCTION VALUE

Cooperatives'
EMPLOYMENT
more than doubled

Over a half of cooperative
members and employees
are **WOMEN**
