Deadline for Applications: 27 February 2020, 17:00 hrs CET (Brussels time)

Applications must be submitted to:

1 - For seconded candidates by EU Member States:
https://goalkeeper.eeas.europa.eu/registrar/

2 - For contracted candidates from EU Member States:
*EULEX KOSOVO is undergoing a strategic review, which has not been finalized at the time of publication of this CfC. Consequently, it cannot be ruled out that it might be necessary to cancel recruitment to some of the posts now being advertised.

Seconded Personnel – For seconded positions, only personnel nominations received through official channels from EU Member States/contributing third States (contributing States) will be considered. Contributing States will bear all personnel-related costs for seconded personnel, including salaries, medical coverage, travel expenses to and from the Mission area (including home leave) and allowances other than those paid according to the Council documents 7291/09 (10 March 2009) and 9084/13 (30 April 2013). Personnel seconded from contributing third States are not entitled to receive allowances paid according to the Council documents 7291/09 (10 March 2009) and 9084/13 (30 April 2013).

Contracted Personnel – The Mission may recruit international staff on a contractual basis as required, through an employment contract. The employment contract with the Mission establishes the conditions of employment, rights and obligations, remuneration, allowances, travel and removal expenses and the applicable high risk insurance policy.

Documents supporting educational qualifications and work experience should be accompanied by certified translations of the original documents in the English language, if issued in another language, in accordance with the European Commission Guidelines for Lifelong Learning, which ensures transparency in higher education and fair and informed judgements about qualifications.

Tour of Duty Period – Subject to the adoption of another Council Decision extending the Mission mandate and approving the appropriate Budgetary Impact Statement, the duration of the deployment should be of 12 months.

The Civilian Operations Commander requests that contributing States propose candidates for the following international staff positions for EULEX KOSOVO, according to the requirements and profiles described below:

A. Essential Requirements
Contributing States are requested to ensure that the following essential requirements are strictly met and accepted in respect of civilian international experts to the Mission.

**Negotiation Skills** – The candidates must have excellent negotiating skills and the ability to work professionally in a stressful and diverse environment.

To ensure duty of care in a non-benign environment, selected personnel should, in principle, be under the normal age of retirement in contributing States.

For seconded experts, the original certificate of the national security clearance or a proof of the initiation of the process must accompany them upon deployment. **Application Form** – Applications will be considered only when using the standard Application Form (Annex 2) to be returned in Word format, and indicating which position(s) the candidate is applying for.

**Selection Process** – The most suitable candidates will be shortlisted and, if needed, interviewed in Brussels, at the Headquarters of the Mission or by phone, before the final selection is made. If seconded candidates are required to travel to Brussels/Mission Headquarters for interviews, the contributing State will bear any related costs.

The selection of candidates who are working for other civilian CSDP Missions at the time of their application will be subject to an impact assessment taking into account the operational needs of the CSDP Missions concerned.

**Information on the Outcome** – Contributing States and contracted candidates (applying for seconded/contracted positions) will be informed about the outcome of the selection process after its completion. The indicative period of the interviews is from February until March 2020.
