2 regional vocational education and training adages have been constructed and made accessible for people with disabilities.

17 regional Vocational Education and Training adages, covering more than 100 skills, have been constructed and made accessible for more than 8,000 people every year:
- Yerevan State College of Health and Services
- Yerevan State Engineering College
- Yerevan State Medical College
- Yerevan State College of Building Engineering
- Yerevan State College of Food Industry
- Yerevan State College of Pharmaceutical Industry
- Yerevan State College of Arts and Science

11 vocational and training adages are protected with the support of youth organisations.

Tavush.

13,000 ha (half the size of Yerevan) forest sanctuary has been protected and managed.

Through the construction of a facility in Ashtarak and the networks between Armenia and Georgia, 6,000 products of Armenian origin can be imported into the non-agricultural SME sector.

150 SMEs have benefited from Erasmus grants and have been provided with the support of youth organisations.
