

EU-Korea Research Cooperation in Horizon 2020

January 24, 2018
Atrium (3 Fl.), Millennium Seoul Hilton

The seminar on EU-Korea Research Cooperation in Horizon 2020 will take place on 24 January at Millennium Seoul Hilton, organised by the Delegation of the European Union to the Republic of Korea. The seminar aims at increasing awareness of EU Research and Innovation funding programme, Horizon 2020, among Korean researchers and organisations as well as encouraging the participations to the programme. Much closer cooperation between the EU and Korea in research and innovation is expected and Horizon 2020 will continue to serve as an important vehicle.

Programme Simultaneous Interpretation available in Korean-English
