

Publication according Art.26 of the Financial Regulation

In kind sponsorship received by the EU Delegations during 2019

As of 1st January 2019, the new Financial Regulations allow (Article 26) the acceptance of corporate sponsorship for events organised by the European Institutions.

The Sponsorship is only allowed via **in kind** contribution, being a financial sponsorship not permitted.

In this context, the EEAS has adopted a set of Internal Rules and Guidance, specifying the use of the Corporate sponsorship and allowing the EU-Delegations to organise joint events with representatives of Member States and other entities in order to enhance the visibility of the European Union.

As a result, in total 11 EU-Delegations managed to mobilise various level of sponsorship (whose individual value can be estimated between 500 EUR to more than 7.000 EUR for one single sponsor).

Their efforts for opening the path to others and find imaginative solutions for attracting these contributions are very appreciated and their success recognised as such.

The sponsors who offered during 2019 in kind contributions for a value superior to 5.000 EUR are the following:

Name of the sponsor	Estimated amount in EUR
Sonatrach	7.407
Capsa Vision	7.400
PT Cushman & Wakefield Indonesia	6.248
PT Bank HSBC Indonesia	6.248
Wisma Bugra Satana	6.248
