Joint Decision of the European Commission and the High Representative of the Union for Foreign Affairs and Security Policy

of 19.6.2017

amending the Joint Decision of the Commission and the High Representative of the Union for Foreign Affairs and Security Policy of 12.06.2012 establishing a High Level Traineeship Programme in the Delegations of the European Union in Partnership with the Member States of the European Union (JOIN(2012)17 final)

THE EUROPEAN COMMISSION AND THE HIGH REPRESENTATIVE OF THE EUROPEAN UNION FOR FOREIGN AFFAIRS AND SECURITY POLICY,

Having regard to the Treaty on European Union, and in particular Article 27(3) thereof,

Having regard to Council Decision of 26 July 2010 establishing the organisation and functioning of the European External Action Service (2010/427/EU) and in particular Article 1(3) thereof,

Having regard to the Joint Decision of the European Commission and the High Representative for Foreign Affairs and Security Policy of 12 June 2012 (JOIN(2012)17 final) establishing a High Level Traineeship Programme in the Delegations of the European Union (‘Joint Decision’) in partnership with the Member States of the European Union,

Whereas:

(1) Taking into account the appointment of a Director-General of Budget and Administration in the European External Action Service (‘EEAS’), replacing the Chief Operating Officer, it is necessary to amend Article 3 of the Joint Decision, accordingly.

(2) Taking into account the needs to adapt to the living conditions prevailing in the host country and to reduce the turnover of Junior Professionals in Delegations (‘JPDs’), it has been considered as necessary, for the mutual benefit of the Delegations and the trainees, to extend the maximum duration of the Traineeship from 18 months (two periods of nine months) to two years (two periods of one year) in order to allow trainees to adapt to the new living conditions and to increase the fruitful results of the traineeship.

(3) The grant and contributions allowed should therefore be adapted and regularly reviewed taking into account the adjustment of the remuneration of officials and other servants of the European Union.

(4) It is necessary to confirm that JPDs are entitled to maternity leave,
