

Movie Competition

Climate change is a direct threat. It spares no country and requires a collective response. The fight against climate change is one of the top priorities of the European Union. The European Union Delegation in Port Moresby is strongly supporting Papua New Guinea to tackle climate change.

In the framework of the Climate Diplomacy weeks to be held from 23rd September to 6th October, the European Union Delegation to Papua New Guinea is organising a Movie competition for PNG university students.

Indeed, the impact of climate change on Papua New Guinea is such that the World's first climate refugees are in one of its island. Solutions need to be implemented quickly to tackle this global issue.

Competition Rules and Guidelines:

- The theme of the movie is: "Concrete solutions to reverse climate change in Papua New Guinea."
- The competition is open to any student currently enrolled in any university in Papua New Guinea.
- The participating student will present a movie (duration: minimum 3 minutes; maximum =4 minutes) on a flash drive. Subtitles in English are requested if the movie is done in other languages.
