

**Study in Europe Fair in Addis Ababa, Ethiopia**  
**15-16 November 2019,**  
Skylight Hotel Addis Ababa

**Study in Europe project**

Study in Europe is a three year project (2017 – 2020) contracted by the European Commission, Directorate General for Education and Culture for the European Union. A consortium involving Campus France (coordinator), DAAD, Nuffic, British Council, Academic Cooperation Association and Archimedes Foundation implements the Study in Europe project.

The aims of the project are to:

- Show students, researchers and influencers worldwide what studying in Europe offers,
- Help international students to find out about study, research and scholarship opportunities in Europe and direct them to European national education portals to plan their studies,
- Connect European Higher Education institutions (HEI) with international students and partner institutions.

Study in Europe promotes higher education in the Erasmus+ programme countries (European Union member states and North Macedonia, Norway, Iceland, Turkey, Liechtenstein, Serbia).

**Institutional Event: Friday, 15 November, 3.30 pm – 8 pm**

An institutional event will be organised in Addis Ababa on **15 November 2019** in order to allow European higher education institutions to meet with their Ethiopian counter parts and to enhance cooperation between European and Ethiopian Higher Education Institutions. Representatives of Ethiopian higher education institutions will be invited to attend this event. The programme includes presentations on cooperation between Ethiopia and Europe, networking opportunities and a cocktail reception.

**Study in Europe fair: Saturday; 16 November, 9am – 6 pm**

The fair in Ethiopia will take place in Addis Ababa, on **16 November 2019**. The fair will enable Ethiopian students to meet European representatives of higher education institutions and learn more about the opportunities of studying in Europe.

**20 European higher education institutions**, national promotion agencies, embassies and the European Commission will inform Ethiopian students about their **study programmes**, **scholarship programmes** and **research opportunities**.

A parallel **country presentation** programme will highlight the different European higher education systems as well as the Erasmus+ programme.

**Countries represented:**

Belgium, Czech Republic, France, Germany, Hungary, Netherlands, Poland, Slovakia, Spain,  
Sweden, United Kingdom
